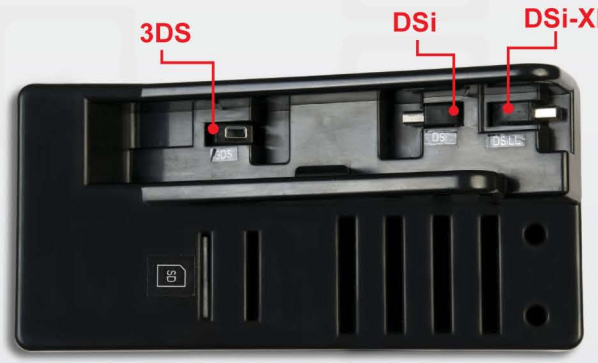
Multifunction Charge Station

For use with Nintendo™ 3DS / DSi / DSi-XL

3DS-MEDIA



- 2 USB PORTS
- SD Card Reader

Includes 3 foldable ports to charge multiple DS Consoles

If you're looking for a stylish and convenient way to recharge your 3DS™,DSi™, or DSiXL while organizing games, styluses, and managing content between SD cards and your computer, then we've got just what you're looking for! CTA Digital introduces the Universal Media Station for the Nintendo® 3DS™,DSi™, or DSiXL. Transferring music from your computer to your 3DS™ has never been easier with the Universal Media Station's SD card reader which works with cards up to 32GB in capacity. You can also save those pictures taken with your handheld console onto your computer. The Media Station also stores 4 games, 2 styluses, and 2 SD cards (up to 32GB), so all your handheld essentials are neatly organized, and right where you left them.

Features Include:

- Charges your 3DS™,DSi™, or DSiXL ™ console.
- Organizes your system, games, and styluses.
- SD Card Reader transfers your music & photos to a computer.
- Works with SD cards up to 32GB capacity.
- 2 additional USB slots.
